

DENY; and Opinion Filed December 19, 2018.

**In The
Court of Appeals
Fifth District of Texas at Dallas**

No. 05-18-00777-CV

IN RE THE CARDIO GROUP, LLC, Relator

**Original Proceeding from the 101st Judicial District Court
Dallas County, Texas
Trial Court Cause No. DC-18-05693**

MEMORANDUM OPINION

Before Justices Lang-Miers, Fillmore, and Stoddart
Opinion by Justice Lang-Miers

Before the Court is relator's petition for writ of mandamus in which relator complains of a discovery order that relator argues requires production of trade secrets before the trial court hears and decides relator's motion for protective order. To be entitled to mandamus relief, a relator must show both that the trial court has clearly abused its discretion and that relator has no adequate appellate remedy. *In re Prudential Ins. Co.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding). Based on the record before us, we conclude relator has not shown it is entitled to the relief requested. Accordingly, we deny relator's petition for writ of mandamus. *See* TEX. R. APP. P. 52.8(a) (the court must deny the petition if the court determines relator is not entitled to the relief sought).
