**MEMORANDUM OPINION**

Before Justices Lang-Miers, Fillmore, and Stoddart  
Opinion by Justice Lang-Miers

In this original proceeding, relator seeks a writ directing the trial court to sign and file a written order disposing of relator's application for pretrial writ of habeas corpus and a certification of relator's right to appeal. We requested a response to relator's petition for writ of mandamus. In its response, the State informed the Court that the trial court signed a written order on August 3, 2018 denying relator's application for pretrial writ of habeas corpus, and that a certification of right to appeal is pending relator's signature. Relator has appealed the August 3, 2018 order, and this Court has ordered the trial court to prepare a certification of right to appeal and to file the certification with the clerk's record in that appeal. *See* 05-18-00909-CR. Relator has received the

relief requested in this original proceeding. Accordingly, we deny as moot relator's petition for writ of mandamus.
