Court of Appeals
Fifth District of Texas at Dallas**

No. 05-21-00216-CV

IN RE MARIAM AYAD, Relator

**Original Proceeding from the 416th Judicial District Court
Collin County, Texas
Trial Court Cause No. 416-50435-2021**

MEMORANDUM OPINION

Before Justices Osborne, Pedersen, III, and Goldstein
Opinion by Justice Goldstein

In her June 22, 2021 amended petition for writ of mandamus, relator challenges the trial court's order referring the parties to arbitration per the terms of their prenuptial agreement.

Entitlement to mandamus relief requires relator to show that the trial court clearly abused its discretion and that she lacks an adequate appellate remedy. *In re Prudential Ins. Co.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding).

Based on our review of relator's amended petition, appendix, and supplemental appendices and real party's response we conclude relator has failed

to demonstrate an entitlement to mandamus relief. Accordingly, we deny the amended petition for writ of mandamus. *See* TEX. R. APP. P. 52.8(a). We lift the stay issued by this Court's August 26, 2021 order. We also deny relator's motion to expedite the decision as moot.
