Relators**

---

**Original Proceeding from the 44th Judicial District Court  
Dallas County, Texas  
Trial Court Cause No. DC-17-16384**

---

**MEMORANDUM OPINION**

Before Justices Molberg, Pedersen, III, and Garcia  
Opinion by Justice Garcia

Relators' February 28, 2022 petition for writ of mandamus challenges the trial court's denial of their application for a temporary restraining order pending resolution of their bill of review. Entitlement to mandamus relief requires relators to show that the trial court has clearly abused its discretion and that they have no adequate appellate remedy. *In re Prudential Ins. Co.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding).

After reviewing the petition, the response, and the record, we conclude that relators have not shown their entitlement to the relief requested. Accordingly, we

deny the petition for writ of mandamus. We also lift the stay issued by our February 28, 2022 order.
