IN RE KENNETH WAYNE JEROME, Relator

Original Proceeding on Petition for Writ of Mandamus

MEMORANDUM OPINION

Relator, Kenneth Wayne Jerome, has filed a petition for writ of mandamus, seeking to compel the trial court to rule on relator's motion related to DNA testing.¹

¹ The underlying case is *State of Texas v. Kenneth Wayne Jerome*, No. 1233728, in the 263rd District Court of Harris County, Texas, the Honorable Jim Wallace presiding.

We deny the petition for writ of mandamus.

PER CURIAM

Panel consists of Justices Jennings, Bland, and Massengale.
