On Appeal from the 431st District Court
Denton County, Texas
Trial Court Case No. 18-2813-431

MEMORANDUM OPINION

This is an appeal from the trial court's summary judgment order signed on December 7, 2018. Appellant's brief was originally due on May 23, 2019. Three extensions were granted until August 12, 2019, the last of which state that no further extensions would be granted. On August 20, 2019, we issued a notice advising

appellant that unless the brief was filed within ten days, we might dismiss the appeal for want of prosecution. Appellant neither timely filed a brief nor requested an extension. *See* TEX. R. APP. P. 38.8(a)(1) (the appellate court may dismiss for want of prosecution for failure to file appellant's brief).

Accordingly, we dismiss the appeal for want of prosecution. *See* TEX. R. APP. P. 38.8(a)(1), 42.3(b), 43.2(f). We dismiss all pending motions as moot.

PER CURIAM

Panel consists of Justices Kelly, Hightower, and Countiss.
