V.

**On Appeal from the 412th Judicial District Court
Brazoria County, Texas
Trial Court Case No. 108926-CV**

MEMORANDUM OPINION

This is an appeal from the trial court's judgment signed on June 24, 2020. Appellants' brief was originally due on December 17, 2020. One extension was granted until January 19, 2021. On January 27, 2021, we issued a notice advising appellants that unless the brief was filed within ten days, we might dismiss the appeal

for want of prosecution. Appellants neither timely filed a brief nor requested an extension. *See* TEX. R. APP. P. 38.8(a)(1) (the appellate court may dismiss for want of prosecution for failure to file appellant's brief).

Accordingly, we dismiss the appeal for want of prosecution. *See* TEX. R. APP. P. 38.8(a)(1), 42.3(b), 43.2(f). We dismiss all pending motions as moot.

PER CURIAM

Panel consists of Justices Kelly, Guerra, and Farris.
