Trial Court Case No. 1167633**

MEMORANDUM OPINION

This is an appeal from the trial court's order signed on May 12, 2021, striking the Declarations of a Covered Person signed by appellant. Appellant's brief was originally due on July 29, 2021. Notice issued on May 4, 2022, advising appellant

that unless the brief was filed within ten days, we might dismiss the appeal for want of prosecution. No response to the notice was received.

Accordingly, we dismiss the appeal for want of prosecution. *See* TEX. R. APP. P. 38.8(a)(1) (stating appellate court may dismiss for want of prosecution for failure to file appellant's brief). We dismiss any pending motions as moot.

PER CURIAM

Panel consists of Justices Kelly, Countiss, and Rivas-Molloy.
