**MEMORANDUM OPINION**

Relator Tina Thuy Truong filed a petition for writ of mandamus and a petition for writ of prohibition, asking that we order the trial court to vacate the existing orders appointing a receiver and to prohibit the trial court from entering further

orders appointing a receiver.<sup>1</sup> Relator also filed a supplemental petition, asking that we order the trial court to dissolve the existing order appointing a receiver, prohibit the real party in interest, Hoa Hiep Hoang, from seeking a receiver to manage the affairs and property of relator or nonparties, and prohibit the receiver from taking further action based on the trial court's receiver-related orders.

On May 5, 2022, relator filed unopposed motions to dismiss both petitions.<sup>2</sup> We grant the motions and dismiss these petitions. Any pending motions are dismissed as moot.

**PER CURIAM**

Panel consists of Justices Landau, Hightower, and Rivas-Molloy.
