**MEMORANDUM OPINION**

This is an attempted appeal from a special commissioners' award in a condemnation case. The record reflects that appellants filed notice of appeal to the County Court at Law on December 4, 2009. If either party timely files an objection to the commissioners' award, the county court is invested with jurisdiction of the subject matter of the case, not the court of appeals. *See Denton County v. Brammer*, 361 S.W.2d 198, 200 (Tex.1962); *see also* Tex. Prop. Code Ann. § 21.018 (Vernon 2004) (providing party to condemnation proceeding may file objections in court that has jurisdiction, which shall cite adverse party and try case in same manner as other civil causes).

On January 5, 2010, notification was transmitted to the parties of this court's intention to dismiss the appeal for want of jurisdiction unless appellant filed a response demonstrating grounds for continuing the appeal on or before January 19, 2010. *See* Tex. R. App. P. 42.3(a).

Appellants filed no response.

Accordingly, the appeal is ordered dismissed.

PER CURIAM

Panel consists of Justices Yates, Seymore, and Brown.
