IN RE RICHARD ALAN HAASE, Relator

**ORIGINAL PROCEEDING
WRIT OF MANDAMUS
240th District Court
Fort Bend, County, Texas
09-DCV-175011**

MEMORANDUM OPINION

On September 20, 2010, relator, Richard Alan Haase, filed a petition for writ of mandamus in this court. *See* Tex. Gov't Code Ann §22.221; *see also* Tex. R. App. P. 52.1. Relator asks this court to order the respondent, the Honorable Daniel R. Sklar, judge of the 240th District Court, Fort Bend County, Texas, to vacate his order dated August 25, 2010, ordering production of certain documents.

On January 14, 2011, real parties in interest, Pearl River Polymers, Inc., Polychemie, Inc., Polydyne, Inc., Chemtail, Inc., SNF Holding Company, SNF, Inc.,

Wright Brown & Close, LLP, and Provost Umphrey Law Firm, LLP filed a motion to dismiss the petition as moot because summary judgment was entered in favor of the real parties. In their motion, real parties represent that they no longer seek discovery of the documents and materials ordered produced by the trial court and at issue in this original proceeding. The motion is granted.

Accordingly, the petition for writ of mandamus is ordered dismissed.

PER CURIAM

Panel consists of Justices Anderson, Brown, and Christopher.
