**On Appeal from the 333rd District Court

Trial Court Cause No. 2015-15805**

M E M O R A N D U M O P I N I O N

This appeal is from an order signed October 10, 2016. On December 13, 2016, appellee filed a motion to dismiss the appeal for want of jurisdiction, arguing that appellant's notice of appeal is untimely. We are unable to make that determination because no clerk's record has been filed. The clerk responsible for

preparing the record in this appeal informed the court appellant did not make arrangements to pay for the record.

On January 20, 2017, notification was transmitted to all parties of the court's intention to dismiss the appeal for want of prosecution unless, within fifteen days, appellant paid or made arrangements to pay for the record and provided this court with proof of payment. *See* Tex. R. App. P. 37.3(b).

Appellant has not provided this court with proof of payment for the record. Accordingly, the appeal is ordered dismissed. Appellee's pending motion to dismiss is denied as moot.

PER CURIAM

Panel consists of Justices Christopher, Busby, and Jewell.
