**MEMORANDUM OPINION**

On November 15, 2017, relator Jolanta Stephenson filed a petition for writ of mandamus in this court. *See* Tex. Gov't Code Ann. § 22.221; *see also* Tex. R. App. P. 52. In the petition, relator asks this court to compel the Honorable Mark Davidson, presiding pre-trial judge for asbestos multi-district litigation cases and visiting judge

for the 11th District Court of Harris County, Texas, to vacate his orders denying relator's motion to remand the underlying action to the 134th District Court of Dallas County, and motion to reconsider.

To obtain mandamus relief, a relator generally must show both that the trial court clearly abused its discretion and that the relator has no adequate remedy by appeal. *In re Prudential Ins. Co. of Am.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding).

Relator has not established that she is entitled to mandamus relief. We therefore deny relator's petition for writ of mandamus.

PER CURIAM

Panel consists of Justices Boyce, Jamison, and Brown.
