**MEMORANDUM OPINION**

On December 22, 2017, relator Dyson Energy Group, LLC filed a petition for writ of mandamus in this court. *See* Tex. Gov't Code Ann. § 22.221 (West Supp. 2017); *see also* Tex. R. App. P. 52. In the petition, relator asks this court to compel the Honorable Reva Towslee-Corbett, presiding judge of the 21st District Court of Washington County, to vacate her December 14, 2017 order granting the motion to compel discovery filed by real parties in interest.

Relator has not established that it is entitled to mandamus relief. Accordingly, we deny relator's petition for writ of mandamus. We also deny relator's motion for temporary relief.

PER CURIAM

Panel consists of Chief Justice Frost and Justices Busby and Wise.
