

Petition for Writ of Mandamus Dismissed as Moot and Opinion filed June 17, 2021.

In The

Fourteenth Court of Appeals

NO. 14-20-00739-CV

IN RE WARRIOR ENERGY SERVICES CORP., Relator

**ORIGINAL PROCEEDING
WRIT OF MANDAMUS
80th District Court
Harris County, Texas
Trial Court Cause No. 2018-35023**

MEMORANDUM OPINION

On Monday, November 2, 2020, relator, Warrior Energy Services, filed a petition for writ of mandamus in this court. *See* Tex. Gov't Code Ann. § 22.221; *see also* Tex. R. App. P. 52. In the petition, relator asks this court to compel the Honorable Larry Weiman, the former presiding judge of the 80th District Court of Harris County, to vacate an order of October 23, 2020 releasing funds held in the court's registry.

Because Judge Weinman is no longer a sitting judge, we abated this proceeding to allow his successor, the Honorable Jeralynn Manor, an opportunity to reconsider the October 23, 2020 order. *See* Tex. R. App. P. 7.2(b).

On May 10, 2021, Judge Manor signed an order vacating the October 23, 2020 order. On May 12, 2021, relator filed a motion to dismiss in light of Judge Manor's vacatur of the October 23, 2020 order. Relator's request for mandamus relief is now moot. Relator's motion to dismiss is granted.

Accordingly, we order relator's petition for writ of mandamus dismissed for want of jurisdiction.

PER CURIAM

Panel consists of Justices Bourliot, Zimmerer, and Spain.
