MEMORANDUM OPINION

On April 28, 2022, relator Morton and 2855-NW,LLC filed a petition for writ of mandamus in this Court. *See* Tex. Gov't Code Ann. § 22.221; *see also* Tex. R. App. P. 52. In the petition, relator asks this Court to compel the Honorable Gary W. On July 25, 2022, relator's counsel notified the Clerk of this Court that the parties had resolved and settled their dispute in the underlying litigation. On August 3, 2022, relator filed an unopposed motion to dismiss its petition for writ of mandamus under Texas Rule of Appellate Procedure 42.1(a)(1). Accordingly, we grant relator's motion to dismiss.

We dismiss relator's petition for writ of mandamus. Additionally, our April 28, 2022 stay is lifted.
