Original Mandamus Proceeding¹

PER CURIAM

Sitting: Catherine Stone, Chief Justice

Delivered and Filed: August 30, 2013

PETITION FOR WRIT OF MANDAMUS DENIED

On August 7, 2013, relator BioMedical Enterprises, Inc. filed a petition for writ of mandamus, unopposed motion for temporary relief and emergency motion requesting transmittal of documents filed under seal. On August 8, 2013, this court issued an order granting the temporary stay and requesting the sealed documents from the trial court. The court has considered the petition for writ of mandamus, the supplemental record materials submitted by the parties, and the documents filed under seal received from the trial court. Relator is not entitled to the relief sought. Accordingly, the petition for writ of mandamus is denied and the temporary stay of the trial court's discovery order is lifted. *See* TEX. R. APP. P. 52.8(a).
