Original Mandamus Proceeding¹

PETITION FOR WRIT OF MANDAMUS DENIED

On April 23, 2014, relator Verano Land Group filed a petition for writ of mandamus and a motion requesting emergency relief pending a ruling on the mandamus petition. The court considered the motion for emergency relief, and the response to that motion filed on behalf of the real parties in interest, and issued an order denying emergency relief on April 24, 2014. Verano then filed a motion for reconsideration of the order denying emergency relief. The court has considered the petition for writ of mandamus and is of the opinion that relator is not entitled to the relief sought. Accordingly, the petition for writ of mandamus and the motion for reconsideration of the order denying emergency relief are denied. *See* TEX. R. APP. P. 52.8(a).
