PETITION FOR WRIT OF MANDAMUS DENIED

On March 24, 2016, relators Philip R. Klein and Klein Investigations & Consulting filed a petition for writ of mandamus complaining of the trial court's ruling on relators' motion to compel a plaintiff's deposition. The court has considered relators' petition for writ of mandamus and is of the opinion that relators are not entitled to the relief sought. Accordingly, the petition for writ of mandamus is denied. *See* TEX. R. APP. P. 52.8(a).
