PETITION FOR WRIT OF MANDAMUS DISMISSED FOR LACK OF JURISDICTION

On June 26, 2017, Relator filed a petition seeking a mandamus directed at Arminda Piña, incorrectly identified as “406th Administrative Judge.” Ms. Piña is the court administrator for the 406th District Court. This court has the authority to issue a writ of mandamus against “a judge of a district or county court in the court of appeals district” and other writs as necessary to enforce our appellate jurisdiction. *See* TEX. GOV’T CODE ANN. § 22.221(a)-(b) (West 2004). We conclude the writ is not necessary to enforce our jurisdiction. Accordingly, Relator’s petition for writ of mandamus is dismissed for lack of jurisdiction.
