

Fourth Court of Appeals
San Antonio, Texas

MEMORANDUM OPINION

No. 04-18-00630-CR

Kevin Apolinar **JOHNS**,
Appellant

v.

The **STATE** of Texas,
Appellee

From the 187th Judicial District Court, Bexar County, Texas
Trial Court No. 2017CR2451
Honorable Joey Contreras, Judge Presiding

PER CURIAM

Sitting: Sandee Bryan Marion, Chief Justice
Karen Angelini, Justice
Marialyn Barnard, Justice

Delivered and Filed: November 7, 2018

DISMISSED

In this appeal, appellant appears to be appealing the trial court's order dismissing the underlying trial court cause number 2017CR2451. Rule 25.2(d) of the Texas Rules of Appellate Procedure provides, "The appeal must be dismissed if a certification that shows the defendant has a right of appeal has not been made part of the record under these rules." TEX. R. APP. P. 25.2(d). Because the clerk's record did not contain a trial court's certification, we ordered this appeal would be dismissed pursuant to rule 25.2(d) of the Texas Rules of Appellate Procedure unless appellant

caused a trial court certification to be filed by October 23, 2018, showing appellant has the right of appeal. *See* TEX. R. APP. P. 25.2(d). No response was filed.

In the absence of a trial court certification showing the appellant has the right of appeal, rule 25.2(d) requires this court to dismiss this appeal. Accordingly, the appeal is dismissed.
