**San Antonio, Texas**

**MEMORANDUM OPINION**

No. 04-18-00875-CV

**IN RE D.J.J. and R.Z.B., Children**

From the 81st Judicial District Court, Karnes County, Texas  
Trial Court No. 16-10-00272-CVK  
Honorable Melissa Uram-Degerolami, Judge Presiding

PER CURIAM

Sitting: Sandee Bryan Marion, Chief Justice  
Luz Elena D. Chapa, Justice  
Irene Rios, Justice

Delivered and Filed: January 2, 2019

DISMISSED

On December 3, 2018, we issued an order notifying appellant that the notice of appeal appeared untimely because it was filed over six months after the trial court signed the appealed judgment. We ordered appellant to file a response by December 13, 2018, showing why this appeal should not be dismissed for lack of jurisdiction. We notified appellant that if a satisfactory response was not timely filed, this appeal would be dismissed. Appellant has not filed a response to our December 3, 2018 order. This appeal is therefore dismissed. *See* TEX. R. APP. P. 42.3(a), (c).
