Honorable Michael Ventura Garcia, Judge Presiding

DISMISSED

Appellant has filed an unopposed motion to dismiss this appeal. To the extent appellant seeks dismissal of this appeal, we grant the motion and dismiss the appeal. *See* TEX. R. APP. P. 42.1(a)(1) (authorizing appellate courts to dismiss an appeal on an appellant's motion). However, appellant's motion does not show that the parties have reached an agreement as to costs. Therefore, costs of appeal are taxed against appellant. *See id.* 42.1(d) (stating costs must be taxed against an appellant absent agreement of the parties).
