**MEMORANDUM OPINION**

On March 21, 2011, the trial court sentenced Anthony Paul Prevost on a conviction for theft. Prevost filed a notice of appeal on March 25, 2011. The trial court entered a certification of the defendant's right to appeal in which the court certified that this is a plea-bargain case and the defendant has no right of appeal. *See* Tex. R. App. P. 25.2(a)(2). The district clerk has provided the trial court's certification to the Court of Appeals. On April 14, 2011, we notified the parties that we would dismiss the appeal

unless the appellant established grounds for continuing the appeal. The appellant filed a response but failed to establish that the trial court's certification should be amended. Because the record does not contain a certification that shows the defendant has the right of appeal, we must dismiss the appeal. *See* Tex. R. App. P. 25.2(d). Accordingly, we dismiss the appeal.

APPEAL DISMISSED.
