IN RE A.S.

Original Proceeding

MEMORANDUM OPINION

Relator A.S. filed a petition for writ of mandamus, in which she asks this Court to compel the trial court to vacate certain temporary orders concerning the conservatorship of her minor children, as well as possession of and access to the children.

Mandamus will issue only to correct a clear abuse of discretion when that abuse cannot be remedied by appeal. *In re Prudential Ins. Co. of Am.*, 148 S.W.3d 124, 135-36 (Tex. 2004). After reviewing the mandamus petition and record, we conclude that the relator has failed to establish entitlement to mandamus relief. *See id.* Accordingly, we deny the petition for writ of mandamus.

PETITION DENIED.
