IN RE DIONNE OLIVER

Original Proceeding

MEMORANDUM OPINION

Relator seeks mandamus relief from an order granting a motion for new trial after the jury delivered a verdict in favor of the defendant in a health-care-liability case. The trial court stated its specific grounds for granting a new trial. *In re Columbia Med. Center of Las Colinas, Subsidiary, L.P.*, 290 S.W.3d 204, 214 (Tex. 2009). The reasons are clearly identified and reasonably specific. *Id.* at 215. Relator has not shown that the trial court's reasons provide no valid basis in this case, or that the trial court clearly abused its discretion. *Id.* at 208, 212. The petition for writ of mandamus is therefore denied.

PETITION DENIED.
