**MEMORANDUM OPINION**

The trial court sentenced Gary Dwight Gordon Jr. on a conviction for aggravated robbery. Gordon filed a notice of appeal. The trial court entered a certification of the defendant's right to appeal in which the court certified that this is a plea-bargain case and the defendant has no right of appeal. *See* Tex. R. App. P. 25.2(a)(2). The district clerk has provided the trial court's certification to the Court of Appeals. The clerk of this Court notified the parties that the Court would dismiss the appeal unless the appellant established grounds for continuing the

appeal. The appellant filed a response but failed to establish that the trial court's certification should be amended. Because the record does not contain a certification that shows the defendant has the right of appeal, we dismiss the appeal. *See* Tex. R. App. P. 25.2(d).

APPEAL DISMISSED.
