

In The
Court of Appeals
Ninth District of Texas at Beaumont

NO. 09-15-00048-CR

LONNIE JAMES LEWIS, Appellant

V.

THE STATE OF TEXAS, Appellee

On Appeal from the 252nd District Court
Jefferson County, Texas
Trial Cause No. 10-09786

MEMORANDUM OPINION

Pursuant to a plea bargain agreement, appellant Lonnie James Lewis pleaded no contest to injury to a child as a habitual felony offender. The trial court found the evidence sufficient to find Lewis guilty but deferred further proceedings, placed Lewis on community supervision, and assessed a fine of \$1000. The State subsequently filed a motion to revoke Lewis's unadjudicated community supervision. Lewis pleaded "true" to three violations of the conditions of his community supervision. The trial court found that Lewis had violated the

conditions of his community supervision, found him guilty, and assessed punishment at twenty-five years of confinement.

Lewis's appellate counsel filed a brief that presents counsel's professional evaluation of the record and concludes the appeal is frivolous. *See Anders v. California*, 386 U.S. 738 (1967); *High v. State*, 573 S.W.2d 807 (Tex. Crim. App. 1978). On June 11, 2015, we granted an extension of time for Lewis to file a *pro se* brief. We received no response from Lewis. We have reviewed the appellate record, and we agree with counsel's conclusion that no arguable issues support this appeal. Therefore, we find it unnecessary to order appointment of new counsel to re-brief the appeal. *Compare Stafford v. State*, 813 S.W.2d 503, 511 (Tex. Crim. App. 1991). We affirm the trial court's judgment.¹

AFFIRMED.

STEVE McKEITHEN
