IN RE PAUL F. FERGUSON JR. AND PAUL F. FERGUSON, P.C.

Original Proceeding
60th District Court of Jefferson County, Texas
Trial Cause No. A-197,499

MEMORANDUM OPINION

Paul F. Ferguson Jr. and Paul F. Ferguson, P.C., the Relators, filed a petition for a writ of mandamus and a motion for temporary relief. *See* Tex. R. App. P. 52.1, 52.10. Relators contend the visiting judge assigned to preside in the case abused its discretion in compelling arbitration pursuant to a partnership agreement. Relators ask this Court to compel the trial court to withdraw its order of December 18, 2015, which compelled arbitration under a partnership agreement, and compel arbitration under a settlement agreement that Relators contend superseded the partnership agreement. After reviewing the motion for temporary relief, the

petition for writ of mandamus, and the accompanying mandamus record, we conclude that Relators have not shown that they are entitled to mandamus relief. We deny the petition for writ of mandamus and the motion for temporary relief. *See* Tex. R. App. P. 52.8.

PETITION DENIED.
