WINTHROP & ASSOCIATES, INC., AND LARRY D. ROBISON**

Original Proceeding
60th District Court of Jefferson County, Texas
Trial Cause No. B-195,177

MEMORANDUM OPINION

Steve Watkins and SMW Projects, Inc., joined by Ronald Winthrop and Winthrop & Associates, Inc., and Larry D. Robison, petition for a writ of mandamus commanding that the 60th District Court of Jefferson County: (1) transfer Cause No. B-195,177 to Harris County; (2) grant Relators' motions for a continuance of their responses to motion for summary judgment; (3) vacate its order quashing party and expert depositions; (4) order the real parties in interest, Burrow Global Construction, LLC and Burrow Global, LLC to identify which

documents are responsive to which requests for production; (5) vacate its order sustaining objections by the real parties in interest, Gary Knight and Michael Burrow, to discovery; and (6) vacate its order setting aside deemed admissions by Knight and Burrow. After reviewing the petition for writ of mandamus and the mandamus record that accompanied the petition, we conclude that the relators have not shown that they are entitled to mandamus relief. *See In re Prudential Ins. Co. of Am.*, 148 S.W.3d 124, 135-36 (Tex. 2004) (orig. proceeding); *Walker v. Packer*, 827 S.W.2d 833, 839-40 (Tex. 1992) (orig. proceeding). We deny the petition seeking mandamus relief without prejudice. *See* Tex. R. App. P. 52.8(a). All pending motions for temporary relief are denied as moot.

PETITION DENIED.
