agreement and was sentenced to two years' confinement for each conviction, to run concurrently. The trial court's certification of his right to appeal in each case states that this "is a plea-bargain case, and the defendant has NO right of appeal."

By letter dated July 20, 2016, we notified Appellant that his appeals could be dismissed based on the trial court's certification unless he or any party desiring to continue the appeals filed a response on or before August 1, 2016, showing grounds for continuing the appeals.
