

NO. 07-01-0487-CV
IN THE COURT OF APPEALS
FOR THE SEVENTH DISTRICT OF TEXAS
AT AMARILLO
PANEL C
JULY 10, 2002

IN RE: ALAN SCOTT GORE

Before QUINN and REAVIS and JOHNSON, JJ.

Pending before the Court is the Petition for Writ of Mandamus filed by Relator Alan Scott Gore. Relator alleges that respondent, the Honorable David Gleason, Judge of the 47th District Court of Potter County, has failed to rule on relator's Motion to Review the Trial/Appellate Record on a Temporary Loan Basis which is pending in cause number 37,830-A in the 47th District Court.

By its response to the Petition for Writ of Mandamus, the State urges that respondent has signed an order denying relator's motion. The State has attached a certified copy of an order signed by respondent which denies relator's motion.

We deny relator's Petition as moot.
