FROM THE 242ND DISTRICT COURT OF HALE COUNTY;  
NO. A15660-0408; HONORABLE ED SELF, JUDGE

**MEMORANDUM OPINION**

Pursuant to a plea of guilty, appellant Daniel Lewis Leal was convicted of driving while intoxicated and punishment was assessed at seven years confinement, suspended for seven years.

<sup>1</sup>John T. Boyd, Chief Justice (Ret.), Seventh Court of Appeals, sitting by assignment.

The clerk's record contains a certification of defendant's right of appeal by which the trial court certified the underlying case was a plea-bargain case with no right of appeal. By letter dated March 7, 2005, this Court notified appellant that the certification indicated no right of appeal and requested a response by March 28, 2005, noting that failure to file an amended certification would result in dismissal. See Tex. R. App. P. 25.2(a)(2) & (d); *Stowe v. State*, 124 S.W.3d 228, 232 (Tex.App.–El Paso 2003, no pet.). Appellant did not respond and no amended certification reflecting a right to appeal has been filed in a supplemental record. Thus, we dismiss the appeal.

Accordingly, the appeal is dismissed.
