

NO. 07-12-0071-CV
IN THE COURT OF APPEALS
FOR THE SEVENTH DISTRICT OF TEXAS
AT AMARILLO
PANEL B
MARCH 12, 2012

In re DYANNE KUSTER, RELATOR

Concurring Opinion

Before QUINN, C.J., and CAMPBELL and HANCOCK, JJ.

I join in the majority's opinion but would also deny the request for habeas relief due to inadequate briefing. It is not the reviewing court's job to develop arguments for the applicant and uncover authority supporting it.
