On Appeal from the 99th District Court

Trial Court No. 2015-518,805, Honorable William C. Sowder, Presiding

MEMORANDUM OPINION

Before QUINN, C.J., and CAMPBELL and PIRTLE, JJ.

Appellants, Watts Water Technologies, Inc. and Watts Regulator Co., and appellee, Texas Farmers Insurance Co. as subrogee of Barry Henthorn, have filed a joint motion seeking voluntary dismissal of the appeal. The Court finds the motion complies with the requirements of Texas Rule of Appellate Procedure 42.1(a)(1) and that granting the motion will not prevent any party from seeking relief to which it would otherwise be entitled.

As no decision of the Court has been delivered to date, we grant the parties' motion. The appeal is dismissed. No motion for rehearing will be entertained and our mandate will issue forthwith. In accordance with the motion, costs are assessed against the party incurring them. See TEX. R. APP. P. 42.1(d).
