

**In The
Court of Appeals
Seventh District of Texas at Amarillo**

No. 07-21-00013-CR

TROY FRANKLIN ADAMSON, APPELLANT

V.

THE STATE OF TEXAS, APPELLEE

On Appeal from the 207th District Court
Comal County, Texas
Trial Court No. CR2019-843, Honorable R. Bruce Boyer, Presiding

March 4, 2021

MEMORANDUM OPINION

Before **QUINN, C.J.**, and **PIRTLE and PARKER, JJ.**

Appellant Troy Franklin Adamson, proceeding pro se, was convicted of possession of a controlled substance,¹ enhanced, and sentenced to seventy years' confinement. The trial court's certification of appellant's right of appeal reflects that this is a plea bargain case from which appellant has no right of appeal. Notwithstanding the certification, appellant filed a notice of appeal challenging his conviction.

¹ See TEX. HEALTH & SAFETY CODE ANN. § 481.115(d) (West 2017).

We are required by Rule of Appellate Procedure 25.2(d) to dismiss an appeal “if a certification that shows the defendant has the right of appeal has not been made part of the record.” By letter of February 1, 2021, we notified appellant of the consequences of the trial court’s certification and directed him to file a response demonstrating grounds for continuing the appeal by February 16. Appellant has not filed a response to date.

Accordingly, we dismiss the appeal based on the trial court’s certification. See TEX. R. APP. P. 25.2(d).
