CHARLES TERRELL MCCLURE, Appellant

V.

THE STATE OF TEXAS, Appellee

On Appeal from the Sixth Judicial District Court  
Lamar County, Texas  
Trial Court No. 22196

Before Morriss, C.J., Carter and Moseley, JJ.  
Memorandum Opinion by Chief Justice Morriss

MEMORANDUM OPINION

Charles Terrell McClure has appealed his twelve-year sentence for possession of methamphetamine with intent to deliver. *See* TEX. HEALTH & SAFETY CODE ANN. § 481.112 (Vernon 2003). McClure was also sentenced to twenty years' imprisonment for narcotics trafficking in a companion case, which he also appealed to this Court. *See McClure v. State*, cause number 06-08-00024-CR.

Both cases were tried together to the same jury. McClure raises the same points of error in both appeals. Accordingly, for the reasons stated in *McClure v. State*, cause number 06-08-00024-CR, we likewise resolve the issues in this appeal in favor of the State and affirm the trial court's judgment.

Josh R. Morriss, III
