Memorandum Opinion by Chief Justice Morriss

## MEMORANDUM OPINION

Daniel Dongrele Lindley has appealed the trial court's judgment adjudicating him guilty of attempted capital murder and sentencing him to forty-five years' incarceration. We overrule Lindley's points of error and affirm the trial court's judgment and sentence for the reasons set forth in our opinion issued this date in Lindley's companion case, *Lindley v. State*, cause number 06-09-00200-CR. Please see our opinion in that case for a detailed examination of the issues and law governing these cases.<sup>1</sup>
