TENTH COURT OF APPEALS

No. 10-09-00359-CV

IN THE INTEREST OF D.R., F.A.R., AND B.C.S.R., CHILDREN

From the 249th District Court
Johnson County, Texas
Trial Court No. D200706337

MEMORANDUM OPINION

Appellant, Gladys Camille Valentin, filed a notice of appeal from an adverse judgment issued by the trial court. Now, Valentin has filed a "Notice of Dismissal" requesting that the appeal be dismissed and stating that she needs to proceed on another matter in the trial court and that the trial court will not have jurisdiction in this other matter if the appeal is not dismissed.

Accordingly, without regard to the stated reason Valentin wants the appeal dismissed, this appeal is dismissed. *See* TEX. R. APP. P. 42.1(a).
