v.

Appellees

From the 413th District Court
Johnson County, Texas
Trial Court No. C200800492

MEMORANDUM OPINION

Appellants, Daniel James Parker, Dusti Lawler Parker, and Daniel James Parker as Next Friend of Jackson James Parker, filed a notice of appeal on November 19, 2009 from an order of the trial court that granted a motion for summary judgment filed by appellees, Terry Brown and Julie Brown.

Appellants now seek a dismissal of their appeal because the parties have settled their dispute in mediation and no longer wish to pursue the appeal.

Accordingly, this appeal is dismissed. TEX. R. APP. P. 42.1(a)(1).
