MEMORANDUM OPINION

The petition for writ of habeas corpus is denied.

REX D. DAVIS
Justice

Before Chief Justice Gray,
Justice Reyna, and
Justice Davis

(Petitioner seeks a bail reduction by his petition for writ of habeas corpus. Chief Justice Gray would dismiss the petition for writ of habeas corpus because we have no jurisdiction to grant such a writ, much less when the petition is filed against a sheriff outside our geographic jurisdiction, Dallas County. Accordingly, Chief Justice Gray respectfully dissents to the denial of the petition.)

Petition denied
