MEMORANDUM OPINION

---

---

The parties' Joint Motion to Dismiss Appeal was filed on December 7, 2011. In the motion, the parties assert that they have reached an agreement to settle all matters and issues in controversy between them. They further assert that a dismissal of the appeal will allow the settlement agreement to be effective and will end the litigation between the parties. The motion is signed by counsel for both parties.

Accordingly, this appeal is dismissed. TEX. R. APP. P. 42.1(a).

Justice Scoggins did not participate in this decision.
