**MEMORANDUM OPINION**

---

On February 26, 2020, appellant, Lonnie Birt Donaldson Sr., filed his pro se notice of appeal in this Court. On August 3, 2020, we informed appellant that his appellant's brief was late and warned him that this appeal would be dismissed within twenty-one days of August 3, 2020, unless appellant or any party desiring to continue the appeal filed with this Court a response showing grounds for continuing the appeal. To date, we have received no response to our August 3, 2020 letter. Accordingly, this appeal is dismissed for want of prosecution. *See* TEX. R. APP. P. 42.3(b).
