The clerk's record was filed on December 20, 2001, making Shelia Bazemore's brief due on January 22, 2002. She failed to file a brief. On February 12, 2002, this Court's clerk notified Bazemore that her brief was overdue; the notice warned that the Court could dismiss her appeal for want of prosecution if she failed to file a brief by February 22, 2002. She has not filed a brief or otherwise responded. We dismiss her appeal for want of prosecution. Tex. R. App. P. 42.3(b).
