NO. FM402424, HONORABLE SCOTT H. JENKINS, JUDGE PRESIDING**

**MEMORANDUM OPINION**

After appellant Cynthia Roshelle Alexander filed her notice of appeal, she learned that the trial court had not yet signed a final order reflecting the determinations made at a hearing held in February. She informed this Court that she would act to obtain a final order and sent this Court a copy of a letter to the trial court seeking to set a hearing on a motion to enter judgment. However, as of May 27, no hearing has yet been held and no order has been signed. Therefore, on our own motion, we abate this appeal for sixty days, until August 1, 2005. The parties are ordered to file a report informing this Court of the status of the appeal no later than July 25, 2005.
