NO. 02-1232-A, HONORABLE CHARLES R. RAMSAY, JUDGE PRESIDING**

MEMORANDUM OPINION

On April 10, 2006, the trial court clerk informed this Court that the parties to this appeal had settled their dispute and would be filing a motion to dismiss. This Court verified that information by a telephone call to appellants' attorney on May 25. Appellants have since filed a letter stating that they do not intend to pursue their appeal. We therefore dismiss the appeal in accordance with appellants' wishes. Tex. R. App. P. 42.1(a).
