**ORDER**

Relator has filed a petition for writ of mandamus and a motion for emergency relief under Texas Rule of Appellate Procedure 52.10. Relator's motion asks this Court to stay the discovery order issued by the trial court on June 11, 2009, and extended on July 1, 2009, requiring relator to produce bank records from January 1, 2001, to present, on or before July 10, 2009. Relator has filed a supplement to her request for emergency relief asking the Court to stay all proceedings in the district court pending this Court's action on the petition for writ of mandamus. We grant Relator's motion to stay the district court's discovery order and all proceedings in the district court pending further order of this Court. *See* Tex. R. App. P. 52.10(b).
