In re Floyd Pleasant Tarvin IV

ORIGINAL PROCEEDINGS FROM TRAVIS COUNTY

MEMORANDUM OPINION

Relator Floyd Pleasant Tarvin IV filed several petitions for writ of mandamus, all complaining of difficulty getting hearings set in his underlying lawsuits. *See* Tex. R. App. P. 52.8. Since Tarvin filed his petitions, the trial court has held a hearing on all three cases, essentially granting Tarvin the relief he sought via mandamus. We therefore dismiss the petitions for writ of mandamus as moot.
