**MEMORANDUM OPINION**

Appellant Andrew Lloyd Kurr filed a notice of appeal on November 22, 2013. On April 15, 2014, the clerk of this Court sent a letter notifying Kurr that the clerk's record was overdue and requesting that Kurr make payment arrangements for the clerk's record and submit a status report regarding this appeal. The overdue-record notice also informed Kurr that failure to make payment arrangements or respond to the Court's notice by April 25, 2014, could subject this appeal to dismissal for want of prosecution.

To date, Kurr has not responded to the notice, the clerk's record in this cause has not been filed, and the district clerk has not received any payment. Accordingly, we dismiss this appeal for want of prosecution. *See* Tex. R. App. P. 42.3(b).
