**MEMORANDUM OPINION**

Appellants have filed a motion to dismiss, informing this Court that the underlying claims against them are now moot. Appellants request that we dismiss their interlocutory appeal, along with all the claims made by the appellees against them, which are currently pending in the trial court. The motion is unopposed only to the extent the appellants seek to dismiss the appeal. We grant the motion in part, dismiss the appeal, and deny all other relief. *See* Tex. R. App. P. 42.1(a)(1).
